Re: Appeal of USAC Decision 07/13/01
Billed Entity Number: 122336
471 Application Number: 264010
Funding Request Number: 1 not assigned
Correspondence Dated April 18, 2001

CC Docket Nos. 96-45, 97-21 /

Dear Sirs:

This letter represents an appeal of a decision made by the Universal Service Administrative Company, Schools & Libraries Decision, dated July 13, 2001. As indicated in the enclosed correspondence the USAC has rejected a Form 471 application submitted by the Wethersfield Public Schools on two separate occasions. The initial rejection dated March 26 specifies that the USAC rejected the District's application on the grounds that it had incorrectly used a Form 471 application form issued by the FCC in September, 1999. In that correspondence the USAC indicated the Wethersfield Public Schools should have instead used the FCC Form 471 application dated October, 2000.

In response to the USAC's rejection the Wethersfield Public Schools submitted an appeal dated April 18, 2001. In that correspondence the District conceded its error but stated that the mistake was unintentional. The District prepared a new Form 471 using the FCC's October 2000, application form. That application's information was identical to the data contained in the September, 1999, application the District had erroneously forwarded to the USAC. In its

No. of Copies rec'd 248
List ABCDE

correspondence the District requested that its resubmitted 471 be exempt from the normal closing deadline of January 18, 2001.

After review the USAC has rejected the District's appeal. In its response of July 13 the USAC has reiterated its rejection based on the District's initial failure to use the correct October 2000 application form. In addition, it would appear the USAC has chosen to reject the District's application based on the fact that its resubmission is dated April 18, 2001 rather than the required date of January 18, 2001. The District apologizes for this apparent second error on its part, but it had assumed any appeal or resubmission should reflect the actual date of that event and not be back dated to the January 18 deadline as originally specified by the USAC.

Consequently the Wethersfield Public Schools wishes to appeal to the Federal Communications Commission for reconsideration of the USAC's decision. The District believes it made an honest mistake when it initially submitted its Form 471 application. Both the September 1999 and October 2000 forms are identical as they relate to the District. In the District's case the October 2000 471 form does require any additional or different information which if absent would have impeded any USAC review. Moreover, the District's appeal and resubmission of April 18 simply reflects the sequence of events. The District was not advised of its error until the end of March. It assumed that any appeal should reflect the actual date of that resubmission and that the use of any other date or information might be viewed as a potential misrepresentation.

The Wethersfield Public Schools has endeavored to meet the requirements of the USAC to the best of its abilities. It apologizes for its error and hopes the Federal Communications Commission will act favorably on its appeal. Thank you for any consideration you may give this matter. Please contact me if you should have any questions or require additional information.

Yours truly,

David Whall

Re: Billed Entity Number: 122336
471 Application Number: 264010
Funding Request Number(s): 1 not assigned
Your Correspondence Dated: April 18, 2001

After thorough review and investigation of all relevant facts, the Schools and Libraries Division ("SLD") of the Universal Service Administrative Company ("USAC") has made its decision in regard to your appeal of SLD's Year Four Funding Commitment Decision for the Application Number indicated above. This letter explains the basis of SLD's decision. The date of this letter begins the 30-day time period for appealing this decision to the Federal Communications Commission ("FCC"). If your letter of appeal included more than one Application Number, please note that for each application for which an appeal is submitted, a separate letter is sent.

Funding Request Number: 1 not assigned
Decision on Appeal: **Denied in full**
Explanation:

- You have stated in your appeal that the District mistakenly prepared its Form 471 submission using the forms dated September 1999 in the lower right hand corner of the form rather than the correct form showing October 2000 in the lower right hand corner. You state that the District has since corrected this error by preparing a new Form 471 submission using the correct forms dated October 2000, which you have included with your appeal. The information contained in the revised Form 471 is identical to your original submission dated January 17, 2001, and the District does not seek any additional funding within the resubmission.
- After thorough review of your appeal, it was determined from the original Form 471 application submitted that the incorrect OMB-approved FCC Form 471 has been used in Funding Year Four. The lower right hand corner of this form shows September 1999 instead of October 2000. This is the reason the application was rejected for

failing Minimum Processing Standards in Funding Year 4. According to program rules the Form 471 is considered to be received when it has the required information necessary to pass Minimum Processing Standards. Since the Form 471 was not the correct OMB-approved FCC Form 471 for Funding Year 4 (dated October 2000 in the lower right hand corner of the form) it was returned to you in accordance with program rules. It is also noted (with regards to your correct OMB-approved FCC Form 471 dated October 2000 in the lower right hand corner of the form which was included with your appeal), that the Funding Year 4-window deadline for submitting all Form 471 applications was January 18, 2001. Consequently, the SLD will not data enter your funding request, and your appeal is denied in full.

If you believe there is a basis for further examination of your application, you may file an appeal with the Federal Communications Commission, Office of the Secretary, 445 12th Street, SW, Room TW-A325, Washington, DC 20554. Please reference CC Docket Nos. 96-45 and 97-21 on the first page of your appeal. Before preparing and submitting your appeal, please be sure to review the FCC rules concerning the filing of an appeal of an Administrator's Decision, which are posted on the website at <www.universalservice.org>. **You must file your appeal with the FCC no later than 30 days from the date on this letter for your appeal to be filed in a timely fashion.**

We thank you for your continued support, patience, and cooperation during the appeal process.

Dear Sirs:

Please find enclosed a corrected Form 471 for the Wethersfield Public Schools that the District wishes to resubmit to the USAC's Schools and Libraries Division. As indicated in Attachment A the District mistakenly prepared its Form 471 submission using forms dating from September, 1999, rather than from October, 2000. The Wethersfield Public Schools has corrected this mistake and has prepared a new Form 471 using the correct form dated October, 2000.

At this time the Wethersfield Public Schools wishes to resubmit its Form 471 and appeal any decision to exclude this submission from the normal closing deadline. The mistake made by the District was unintentional. The information contained in the revised Form 471 is essentially identical to the submission dated January 17, 2001, and the District does not seek any additional funding with the enclosed resubmission.

Hopefully the Schools and Libraries Corporation will accept the District's explanation and will allow this resubmitted Form 471 to go forward as originally intended. Please do not hesitate to contact me at 860-571-8117 if you should have any questions or require additional information.

Yours truly,
